

Excellence, Experience, Intelligent Execution
Your strategic partner for the preparation of regulatory documents.

Since 2004, Kateric has been a turnkey provider, partnering with clients to provide individualized, single-source solutions, while consistently delivering superior quality regulatory documents and services.

Disclosure and Transparency

Kateric can help you balance your commercial values and ethical responsibilities against the ever-evolving legislative landscape. We provide:

- ⇒ Registry authoring (protocols and results) across multiple registries
- ⇒ Subject matter expert consultation
- ⇒ Complete end-to-end, centralized management of the disclosure process
- ⇒ Document redaction (Policy 0070, Third Party Requests, EU Access to Documents)
- ⇒ Preparation of lay summary documents

Regulatory Writing and Editing

Kateric's extensive experience in regulatory writing comprises both clinical and safety regulatory documents across a broad range of therapeutic areas and includes (but is not limited to):

- ⇒ Clinical Study Reports
- ⇒ Investigator's Brochures
- ⇒ Development Safety Update Reports (DSURs)
- ⇒ Briefing Packages
- ⇒ Safety Narratives

Client-Dedicated Resources

Each Kateric resource works only for a single client at a time, ensuring continuity of service and customer satisfaction and allowing for seamless, autonomous integration. Our resources are:

- ⇒ Highly experienced
- ⇒ Scalable
- ⇒ Flexible
- ⇒ Global
